

MASTER SOLUTION FOR VEHICLE AND EQUIPMENT LUBRICATION

PRODUCT DATA SHEET

**ZOOMER PCMO
(PASSENGER CAR MOTOR OIL)**

Description:

ZOOMER PCMO 5W-30 is a Premium Quality Engine oil made from group II base stocks blended with high quality Additive package. Suitable for use in passenger petrol and diesel car engines where ILSAC GF-5, API SN/CF Performance SAE 5W-30 grade oil is recommended. Also suitable for vehicles where ILSAC GF-5/API SM performance is required.

Specification:

Meets the performance requirements of API SN SAE 5W-30
Available in packs of 5LTR, BULK AND 210Ltrs

Application:

ZOOMER PCMO 5W-30 (passenger car motor oil) engine oil formulated for extra wear protection for long life of oil and engine use in high performance diesel, petrol car engines for all seasons and suitable Where ILSAC GF-5, API SN/CF performance SAE 5W-30 grade oils are recommended.

Performance benefits:

- Extended drain interval.
- Extra wear Protection for longer Engine life.
- Better low and high temperature performance.

Physiochemical characteristics:

CHARACTERISTICS	TEST METHOD IS : 1448 P:SERIES	ZOOMER PCMO
1. Appearance	Visual	Clear and Bright
2. *ASTM Colour	P : 12	gold
3. Viscosity @ 100°C cSt	P : 25	10.5 – 12.0
4. Viscosity Index, Min	P : 56	150
5. Flash Point COC° C, Min	P ; 69	200
6. Pour point °C Min	P : 10	-24
7. Total Base Number	P : 86	9.0

- Performance additives / chemicals are blended as per recommended dosage level prescribed by additive manufacturer. Accordingly, the specification was reported
- Note: 1. ALSL policy is continual improvement. ALSL reserve the right to alter/modify/change specification without prior notice and approval
- The above data is indicative values only. Minor variations, which do not effect specification, performance (or) quality, may be expected in processing and blending
- Specific requirements shall be custom made on request
